

Sinclair uses the public airwaves free of charge,
and is obligated by law to serve the public interest.
But when large companies control the airwaves,
we get more of what's good for the bottom line and
less of what we need for our democracy.

Instead of something produced at "News Central"
far away, it's more important that we see real people
from our own communities and more substantive news
about issues that matter.

Sincerely,
Sadie Birdfeather
